SERVICE 01 OF 03

Website Revamp

Migrating jethur.com from WordPress to a secure, enterprise-grade Next.js 16 application — Figma-first design, custom built-in CMS, full SEO implementation.

Fee: $1,600 USD · Fixed Scope **Stack:** Next.js 16 · TypeScript · Tailwind · Custom CMS

Timeline: 7 Phases · Milestone-based

Jethur's current WordPress site creates a credibility gap for a GRC platform — it is the world's most-targeted CMS. The revamp replaces it with a **Next.js 16 application** that reflects Jethur's authority in the compliance space, performs at enterprise standards, and is fully owned with no third-party dependencies.

What's Delivered

DESIGN & DEVELOPMENT

- ✓ Figma design system — wireframes + high-fidelity UI, all breakpoints
- ✓ Next.js 16 App Router development — TypeScript, Tailwind CSS
- ✓ All page templates: Homepage, Product, About, Blog, Case Studies, Contact, Legal
- ✓ Custom CMS admin panel — blog, pages, team profiles, fully owned
- ✓ RTL-ready architecture for Arabic content

SEO, SECURITY & LAUNCH

- ✓ Full on-page SEO — schema, sitemap, Open Graph, redirect plan
- ✓ Security headers — CSP, HSTS, Cloudflare WAF
- ✓ Lighthouse 90+ performance across all pages
- ✓ CMS training session (2h, recorded) + handover docs
- ✓ 30-day post-launch bug fix support

Scope

✓ INCLUDED

- ✓ Full Figma design — all templates, all breakpoints
- ✓ Next.js 16 development + Custom CMS
- ✓ Full SEO + security headers + Cloudflare setup
- ✓ Cross-browser QA, Lighthouse 90+
- ✓ Content migration + CMS training + handover docs
- ✓ 30-day post-launch support

✗ NOT INCLUDED

- ✗ Copywriting and content creation
- ✗ Photography or custom illustration
- ✗ Arabic content translation
- ✗ Backend / GRC platform integrations
- ✗ Server infrastructure and hosting costs

WEBSITE REVAMP · FIXED SCOPE

Next.js 16 · Figma Design · Custom CMS

$1,600
one-time · fixed scope

Milestone	Trigger	Amount
Milestone 1	Project commencement / contract signing	$800 USD
Milestone 2	Final delivery and launch	$800 USD

SERVICE 02 OF 03

SEO Retainer

Fixing all 30 identified audit issues as part of the revamp, then managing ongoing SEO to build compounding organic visibility in the GRC market.

Retainer: $400 / month · No setup fee **Audit Score:** 43 / 100 **Issues:** 5 Critical · 15 High · 10 Medium

The full SEO audit has been shared separately. The revamp is the right moment to fix all 30 structural issues at the source — launching the new site already ranking, not catching up. The ongoing retainer then compounds organic visibility month over month.

Phase 01 — Revamp Integration (Month 1, included in retainer)

TECHNICAL FIXES

- ✓ CDN edge caching — 40–60% TTFB reduction
- ✓ Security headers — HSTS, Referrer-Policy
- ✓ URL canonical structure resolved
- ✓ Hero image preload for LCP improvement

ON-PAGE & CONTENT

- ✓ H1 hierarchy corrected across all pages
- ✓ Schema markup — SoftwareApplication, AboutPage, ContactPage
- ✓ OG images rebuilt — 1200×630px branded
- ✓ All 25 empty image alt attributes filled

Phase 02 — Ongoing Monthly Management ($400/month)

CONTENT & AUTHORITY

- ✓ 2 SEO blog posts/month targeting high-intent GRC keywords
- ✓ Regional keyword coverage — NCA ECC, SAMA CSF, PDPL
- ✓ AI search readiness — structured data, FAQ, E-E-A-T

TECHNICAL & REPORTING

- ✓ Weekly keyword rank tracking
- ✓ GSC health monitoring — crawl errors, indexing
- ✓ Monthly report + next-month action plan + check-in call

MONTHLY SEO RETAINER

Revamp Integration + Ongoing Management

$400

per month · no setup fee

Note: The revamp SEO integration (Phase 01) is included within the monthly retainer — no separate setup fee. The retainer begins from the month the revamp project kicks off.

SERVICE 03 OF 03

LinkedIn Marketing

Full LinkedIn page management with strategic content across 6 pillars, and ICP-targeted outreach to build a qualified B2B pipeline directly into Jethur's sales team.

Page Management: $300/month · 12 posts **Outreach:** $350/month · 150+ prospects **Combined:** $650/month

GRC decision-makers — CISOs, CROs, Compliance Directors — are active on LinkedIn. It generates **3× more B2B leads** than other platforms. No dominant GRC platform has claimed the thought leadership space across MENA and South Asia. Jethur has a first-mover window.

Service 01 — Page Management & Content ($300/month)

- ✓ 12 posts per month across 6 content pillars — Compliance Intelligence, Product Education, Thought Leadership, Social Proof, Team & Culture, Problem Awareness
- ✓ Full copywriting, design assets, captions, and scheduling
- ✓ Company page optimisation — profile, banner, about section
- ✓ Community engagement and comment monitoring
- ✓ Monthly performance report — reach, impressions, engagement, follower growth

Service 02 — Outreach & Pipeline Building ($350/month)

- ✓ 150+ personalised connection requests monthly to CISOs, CROs, and Compliance Directors across MENA and South Asia
- ✓ 3-message nurture sequence per prospect — personalised to role and regulatory context
- ✓ LinkedIn Sales Navigator for precision targeting
- ✓ Warm lead handoff to Jethur's sales team with conversation context
- ✓ Weekly outreach report — sent, accepted, replied, meetings booked

MONTHLY RETAINER

Full LinkedIn Growth Package

$650
per month (combined)

Service 01 — Page Management & Content (12 posts/month)	$300 / mo
Service 02 — Outreach & Pipeline Building (150+ prospects/month)	$350 / mo

Note: Services can be taken individually or combined. Month-to-month — no long-term contract required.

SUMMARY

Investment, Next Steps & Terms

Combined Investment

FULL DIGITAL GROWTH PACKAGE — JETHUR × CODEOX TECHNOLOGIES

Website Revamp — Next.js 16, Figma Design, Custom CMS (Fixed Scope)	$1,600 one-time

Monthly Ongoing (SEO + LinkedIn) — **$1,050 / mo**

After revamp delivery · Month-to-month · No long-term contract · Infrastructure costs billed separately

Next Steps

01

Approve Proposal

Confirm scope and services. Adjustments can be discussed before signing.

02

Sign Agreement

Codeox issues a service agreement covering scope, timeline, payments, and IP.

03

Kick-off Call

90-min session to align on sitemap, messaging, and brand assets.

04

All Streams Begin

Website, SEO, and LinkedIn all kick off in parallel from day one.

Terms

Intellectual Property

Upon receipt of final payment, all design files, source code, and assets transfer to Jethur. Codeox retains the right to display the project as portfolio work unless otherwise agreed.

Change Management

Any scope changes must be submitted in writing via a Change Request. Codeox will provide a written estimate. Changes materially affecting timeline or budget require a signed amendment before work proceeds.

Payment

Milestone payments due within 10 business days of invoice. Monthly retainers invoiced at the start of each month. Late payments beyond 15 business days may result in work pausing.

Limitation of Liability

Codeox's liability is limited to fees paid for the relevant project phase. Not liable for third-party outages or issues arising from client changes after handover.
