SCOPE OF WORK

What's Delivered

ODOO 19 UPGRADE

COMPONENT	WHAT'S INCLUDED
Odoo Version Upgrade — to Odoo 19	• Migration of the current Odoo system to **Odoo 19**, the latest release. • Modules upgraded: **Sales, Inventory, Manufacturing, Quality, Project, Dashboard, Maintenance, Accounting and Purchase**. • Migration of business data — products, customers, suppliers, transactions and opening balances. • Migration of system configurations, settings and master data. • Migration of the agreed custom modules, made compatible with Odoo 19. • Compatibility checks across the installed modules. • Data validation and reconciliation against the source system. • End-to-end workflow testing before go-live, with a staged cutover.

POS & INTEGRATION

COMPONENT	WHAT'S INCLUDED
Odoo 19 Point of Sale	• POS implementation across **14 branches + 3 franchises** (17 locations), configured to your business requirements. • Product catalogue, categories, pricing and payment methods configured in POS. • Receipt layout, session/closing configuration and UI changes based on agreed requirements. • End-to-end POS workflow implementation — sale, refund, session open/close. • End-to-end testing across the full POS flow.
Salla–Odoo Integration	• Integration setup and configuration between Salla and Odoo. • Real-time synchronization of the agreed data flows (products, stock, orders). • Salla orders automatically reflected in Odoo for fulfilment and records. • Sync error handling and monitoring. • Salla theme editing — CSS and styling changes to your selected Salla theme. • End-to-end testing and validation of the synchronization.

SUPPORT

COMPONENT	WHAT'S INCLUDED
3 Months Post-Go-Live Support	• Three months of support from go-live, covering the Odoo 19 upgrade, Odoo POS and the Salla–Odoo integration. • Troubleshooting and issue resolution within the agreed scope. • Configuration assistance and minor adjustments. • Priority response channel to the delivery team.

CUSTOMISATION SCOPE & EXCLUSIONS

Custom development is limited to Point of Sale and the Salla–Odoo integration; all other modules are upgraded to Odoo 19 in their standard configuration. Odoo per-user licence, hosting, domain/SSL, payment-gateway and courier/SMS charges are billed directly by those providers and are Qaf's responsibility.

M

ANNUAL MAINTENANCE CONTRACT (AMC) · SAR 20,000 PER YEAR

Maintenance of Every Module

After the 3-month post-go-live support period, the AMC keeps your whole Odoo system running — every module, all 17 POS locations and the Salla↔Odoo integration.

INCLUDED IN YOUR AMC — NO EXTRA COST

Up to 30 change requests every year

30	1.5 hrs	45 hrs
change requests per year	of work per request	of included development time

Field and view changes, report tweaks, filters and small workflow enhancements — delivered within the AMC fee. A request above 1.5 hours is estimated first and billed at an agreed hourly rate, only with your approval.

YOUR SUPPORT TEAM

SAUDI ARABIA · DEDICATED

Support Consultant

Assigned to Qaf in KSA — your single point of contact for every request, follow-up and escalation.

INDIA · ON CALL

Odoo Engineer

An on-call Odoo engineer for technical fixes, deployments and urgent issues, working alongside your KSA consultant.

MODULES COVERED — EVERY MODULE INSTALLED IN QAF'S SYSTEM

Sales · Inventory · Manufacturing · Quality · Project · Dashboard · Maintenance · Accounting · Purchase · Point of Sale · Salla–Odoo Integration · + any other module installed

AMC SERVICE	WHAT'S INCLUDED
Corrective Maintenance	• Bug fixing and error resolution across all configured and custom modules. • Root-cause analysis so recurring issues are fixed at source.
POS Support	• Support for all 17 POS locations — 14 branches + 3 franchises. • POS session, sync, payment-method and receipt/printer configuration issues.
Salla–Odoo Integration	• Monitoring of the Salla↔Odoo sync, and resolution of failed syncs or data mismatches. • Adjustments when Salla changes its API or webhooks.
Updates & Compatibility	• Application of Odoo minor updates, security patches and localisation (ZATCA) updates. • Compatibility checks of custom modules after every Odoo update.
System Health	• Periodic health checks — scheduled actions, error logs, database performance. • Verification that hosting-provider backups are running.

NOT COVERED BY THE AMC

New modules, features or integrations, POS locations beyond the 17, major version upgrades, and change requests beyond the 30 included or above 1.5 hours each — quoted separately at an agreed hourly rate. Odoo licences, hosting and third-party charges remain Qaf's responsibility.
