Anniversary gift for my wife — rose gold, around 3,000?

Lovely occasion 🌹 Three rose-gold pieces in your budget: a diamond pendant, a twisted bangle and drop earrings. Shall I send photos?

The pendant. Can I see it this week?

Of course — Wednesday 7 pm or Thursday 5 pm for a private visit?

OVERVIEW

# Executive Summary

Customers don't shop by menu. They write *"a gift for my wife, rose gold, under 3,000"* or send a photo of a design they like. Our **WhatsApp agent** — a chat-based AI agent — understands these messages in Arabic and English, answers in Adiba's tone, recommends pieces from your collections, books showroom visits and gathers custom-design requests — then hands warm, qualified customers to your team.

The WhatsApp agent also runs your **WhatsApp marketing**: campaigns go to opted-in customer segments, and when customers reply, the agent picks up the conversation immediately. It covers everything a menu bot does, plus real conversation.
